Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Mt. Vernon Green Tech Park (GET) in fiscal year 2024. The entity to receive funding for this project is the Environmental Leaders of Color (ELOC), located at 20 South 2nd Ave project in Mount Vernon, NY. The funding would be used to support the design, construction, and operation of approximately 12,000 square feet of community facility space as part of the 20 South 2nd Ave project in Mount Vernon, NY. The project, as proposed, will create 317 units of mixed-income housing, artist live/workspace, parking, and ground floor community facility space in a state-of-the-art, environmentally friendly building in the city's south side and establish 25,000 square feet of commercial space located at 222-224 Washington Street Mount Vernon. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jamaal Bowman, Ed.D.

Member of Congress
